“Fatal Flaws – Legalizing Assisted Death” Film Shown in Oregon in February

The “Fatal Flaws – Legalizing Assisted Death” film was shown to over 200 people in Portland, Salem and Medford on February 17, 18 & 19, 2019. This important film produced by Kevin Dunn of DunnMedia & Entertainment and Alex Schadenberg of Euthanasia Prevention Coalition (EPC) shows both sides of the assisted suicide and euthanasia experience in Europe and North America. The version shown was the 56 minute International Version. www.FatalFlawsFilm.com

Alex Schadenberg from Ontario, Canada was present at all three presentations to introduce and provide additional information about this important film.

Shown: Dr. Bill Toffler, Dr Chuck Bentz, Alex Schadenberg and Dr. Ken Stevens at the Feb 17th presentation in Clackamas, Portland, Oregon.

Drs. Bill Toffler, Chuck Bentz and Ken Stevens were also present to answer questions and provide additional commentary regarding assisted suicide.

Oregon Right to Life organization helped in organizing, advertising and obtaining venues for each of the three presentations.

Each presentation was received with much interest and enthusiasm, with many appropriate questions and comments from attendees.
We appreciate all the effort that went into the production of this important media production; and to Alex Schadenberg of EPC in coming to Oregon from Ontario, Canada for these presentations.

We encourage those interested in assisted suicide and euthanasia information and experience, to purchase the film and accompanying printed materials, and show the film to others in their communities. See www.FatalFlawsFilm.com for more information.
